Hi Robbie
Hope you're well.
Further to our telephone conversation last month about our forthcoming meeting with [REDACTED] and others regarding Irish relations, I have not yet heard from you or your colleague as to how you would like us to proceed. The meeting was postponed until next Tuesday so I would be grateful if you could let me know what the feeling is on this issue. We would be happy to discuss the possibilities and see what they have to say and then suggest that they contact you to take things further. I will be out of the office from tomorrow until Monday so feel free to email me or call me on Monday, or call [REDACTED] my colleague who set up the meeting (he is Communications Manager).
Best wishes
