Dear Dorothy

Please find attached the Events grid. Sorry for the delay but we are in
the process of moving and this is the only chance I have had to send
this e-mail.

Regards

Nikki

I'm just about to join Richard Mayson's team in BNFL's Energy Unit and
one
of my first tasks is to pull our forward events/conferences grid into
good
shape, making sure we're consistent with yours.

Could you send me an up-to-date version of yours, so that I can make a
start? That would be very helpful - thanks
