Dear Professor Miller

Many thanks for your letter of 11 December. I was not aware that LighterLife UK Limited had given such substantial support to TOAST, a charity of which I agreed to be a Patron several years ago. This financial information is completely new to me. However, I have learnt in the past few days that TOAST is being wound up, so that my relationship with the charity will conclude. Again, the reasons why this decision has been made are not clear to me, but I thought that I had better let you know that this is the latest information that I have.

Yours sincerely
