Miranda

I missed Richard's updates on the previous pdf so this is really the final version! Unfortunately there were problems getting two slides to a page (some mysterious line kept appearing) so only on eslide to a page.

Apologies if this causes any problems.

This is the latest version of Richard's slides - I've just included the slides intended for the handouts and omitted the back-up slides. If Richard makes any more changes I'll send you an updated file.

Jenny
