#### TRUSTEES REPORT

•

#### FOR THE YEAR ENDED 5 APRIL 2005

The Trustees present their report together with the accounts of the Trust for the year ended 5 April 2005. It is with much sadness and deepest regret that we report the passing of the Settlor, Samuel Sebba, on 10 April 2005 soon after his 100th birthday.

#### **Background and Scope**

The Trust was created by a deed dated 16 March 1967 as a Trust exclusively for charitable purposes, and was registered with the Charity Commissioners on 5 September 1967, registration No. 253351.

#### Aims and Objectives

The object of the Trust is the application of the Trust's income and capital for charitable purposes at the absolute discretion of the Trustees.

### **Principal Aims and Activities**

The principal aims of the Trust are to support a wide range of charities and in particular those involving a Jewish connection.

#### **Review of Activities**

The Trustees made grants totalling £1,369,740 to support a range of activities as follows:

|                                    | £          |
|------------------------------------|------------|
| Arts                               | 10,000     |
| Asylum Seekers and Racial Equality | 5,000      |
| Children and Youth                 | 53,000     |
| Community                          | 499,340    |
| Disability                         | 5,000      |
| Education                          | 590,500    |
| Hospice and Aged                   | 39,000     |
| Interfaith                         | 30,000     |
| Medical                            | 33,000     |
| Preventative Medicine              | 5,000      |
| Grants under £5,000                | 99,900     |
|                                    | £1,369,740 |

Monitoring is carried out, when required by the Trustees, by a small research team who are available to attend on site visits. This facility enables the Trust to support efficient and effective charities, giving them confidence for ongoing support.

In the accounts of the previous year (see 2004 comparative figures) by a resolution dated 5 April 2004 the Trustees of The Tel Mond Charitable Trust resolved that the whole of its capital (including any income yet undistributed,) totalling £5,333,604 be held for The Samuel Sebba Charitable Trust and be applied by The Samuel Sebba Charitable Trust for its general charitable purposes.

**TRUSTEES REPORT - (Continued)** 

#### FOR THE YEAR ENDED 5 APRIL 2005

#### **Financial Review and Reserves Policy**

The Trustees are satisfied that there will be sufficient funds to maintain grants at around the present level. It is the Trustees policy to distribute income and when necessary capital through the payment of grants to charitable organisations.

As a result of the de-listing of the shares in Warnford Investments Plc and the buy-back proposals now agreed, the trust received, in June 2002, £2,500,800 from the sale of 480,000 ordinary shares of 5p each, in June 2003, £1,545,700 from the sale of 2,900 Ordinary shares of £5 each and, in June 2004, £6,504,000 from the sale of 12,000 Ordinary shares of £5 each. £500,000 was released in September 2002 and £1,844,170 in July 2004 for the repayment of the £2,344,170 loan from Sebba Holdings Limited.

#### Post Balance Sheet Investment Programme

Continuing the buy-back programme as above, the trust received in June 2005 £1,200,000 from the sale of 2,000 Ordinary shares of £5 each.

It is intended that some of the balance, of each annual buy-back, will be used for the diversification of the investment programme, and for making grants in excess of the total incoming resources.

#### **Future Developments**

The Trustees are presently involved in ongoing discussions relating to planning for both the short, medium and long term.

The Trustees hope to expand the areas of interest to the following:

- \* Welfare and Social
- \* Health
- \* Education and Research
- \* Culture, The Arts
- \* Legal
- \* The Environment
- \* International Aid

#### **Risk Policy**

The trustees minimise investment risk through the use of professional investment advisers. General operating risk is minimised through the regular review procedures by the trustees of the trust's activities.

#### Achieving the Aims and Objectives

Because of ongoing support to so many organisations already well known to Trustees, unsolicited applications are most unlikely to be successful. However any organisations applying must provide proof of need; they must forward the most recent audited accounts, a registered charity number, and most important, a cash flow statement for the next twelve months. All applications from the UK should have a stamped addressed envelope attached. It is also important that the actual request for funds must be concise and preferably summarised on one side of A4 paper, unless the organisations are asked to complete our four page application form.

### **TRUSTEES REPORT - (Continued)**

#### FOR THE YEAR ENDED 5 APRIL 2005

#### **Trustees**

The Trustees in office during the year are listed on page 1 of the report and accounts. There were no changes in the Trustees during the year.

No Trustee received any remuneration during the year (2004 - Nil) and none of the Trustees was reimbursed for any expenses incurred in the performance of his duties (2004 - Nil).

No Trustee had any interest in any contract with the Trust during the year.

#### Statement of Trustees' Responsibilities

Law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year.

In the preparation of these financial statements the Trustees have:

- (i) selected suitable accounting policies and then applied them consistently;
- (ii) made judgements and estimates that are reasonable and prudent;
- (iii) stated whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- (iv) prepared the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the Trust and hence for the prevention and detection of fraud and other irregularities.

For and on behalf of the Trustees:

Trustee: Lun du dunch Clive M Marks

Date of approval: 20 January 2006

#### **INDEPENDENT AUDITORS' REPORT**

#### FOR THE YEAR ENDED 5 APRIL 2005

We have audited the financial statements of The Samuel Sebba Charitable Trust for the year ended 5 April 2005 which comprise the Statement of Financial Activities, the Balance Sheet and related notes. These financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain fixed assets and the accounting policies set out therein.

This report is made solely to the Trustees, as a body. Our audit work has been undertaken so that we might state to the Trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Trustees as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective responsibilities of Trustees and Auditors

The trustees' responsibilities for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards are set out in the Statement of Trustees' Responsibilities.

We have been appointed as auditors under section 43 of the Charities Act 1993 and report in accordance with regulations made under section 44 of that Act. Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Charities Act 1993. We also report to you if, in our opinion, the Trustees' Annual Report is not consistent with the financial statements, if the charity has not kept proper accounting records, or if we have not received all the information and explanations we require for our audit.

We read other information contained in the Trustees' Annual Report, and consider whether it is consistent with the audited financial statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

#### **Basis of Opinion**

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes an examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the trustees in the preparation of the financial statements, and of whether the accounting policies are appropriate to the charity's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### Opinion

In our opinion the financial statements give a true and fair view of the state of the charity's affairs as at 5 April 2005 and of its incoming resources and application of resources in the year then ended and have been properly repared in accordance with the Charities Act 1993.

#### 3 FUNDS TRANSFERRED FROM ANOTHER GRANT MAKING CHARITY (5 APRIL 2004)

Following the privatisation of Warnford Investments Plc and the implementation in conjunction with the Trustees of The Tel Mond Charitable Trust of a share buy-back arrangement, it had become apparent as a result of further discussions with the Trustees of The Tel Mond Charitable Trust, after taking account of the opportunities for co-ordinating their respective investment diversification programmes as well as centralising the overall administration, thereby reducing costs arising from the running and management of two separate charities, that there was no continuing reason for the social welfare programmes of the charities to be separately operated and that it would therefore be more conducive to the promotion of the best interests of the Charity and of The Tel Mond Charitable Trust if they were now amalgamated. Accordingly, having satisfied themselves that the objects of the of The Tel Mond Charitable Trust and The Samuel Sebba Charitable Trust were still compatible and that they had the requisite power to make the proposed gift, the trustees resolved on 5 April 2004, at close of business, to proceed with the transfer of the remaining assets representing the capital and undistributed income of the Tel Mond Charitable Trust to The Samuel Sebba Charitable Trust.

The funds at close of business on 5 April 2004 transferred were represented by the following:-
