To whom it may concern ,

We would like to confirm that David Lovibond's name appeared on the BNP's 2008 leaked membership list.

Mr Lovibond has brought it to our attention that he never signed up to be a member of the British National Party.

We conducted an investigation and looking at the records, there was a cash sign-up with Mr Lovibond's details.

Considering that the payment was made by cash, it appears someone has been trying to cause mischief. These cases sadly happen quite frequently, where disgruntled colleagues, family members or "friends", sign people up in order to cause trouble for their victims later.

We hope this clears the matter up and we apologise for any inconvenience caused.

Yours faithfully

Jen Matthys,  
Membership Secretary  
British National Party
