Hi Adrian

We've had a discussion at this end and we feel that if they want paying then its not good value for money but if they want an article from us anyway then no problem.

Simon

See below (discussed with Philip and he supported this approach).

Perhaps we can discuss briefly tomorrow when I call in to see Michelle?

Adrian

I believe that any input to this should be via NIA based on our newly created briefing material.... Although we would of course be happy to work on it behind the scenes.

Happy to liaise with Keith and Michelle to make it happen, unless anyone advises otherwise?

Subject: Future Energy supplement

Dear All,

We have had a call from John Armstrong (Parliamentary Monitor) - they are producing a special supplement in October covering 'future energy' and wondered if we would like to contribute. John can be reached via 0207 091 7568

Thanks

Belinda

Hi Dorothy

No sorry I've no idea where you can get them. Maybe the Electoral
Commission have them? Is it constituency boundaries you want or
regional?

Simon

We urgently need coordinates for the correct constitutency boundaries
for
the energy choices UK map. Can you provide a link that I can send on to
NMI so they can code these up?

Thanks

Dorothy

Hi Dorothy

Well if you need the actual ordnance survey coordinates then yes I
think so. I can tell you which counties are in each region if you want
that.

Simon

Simon

Actually it's the regional ones, to be consistent with the point you
were
making on the energy choices website. Is that still the Electoral
Commission?

D

Hi Dorothy

Probably the best link to go to is
http://www.odpm.gov.uk/stellent/groups/odpm_regions/documents/page/odpm_regions_038068.pdf as that has all the data for England.

Simon

Simon

Yes, if you give me the counties in each region I can then get NMI to
produce new boundaries.

Thanks

Dorothea
