Dear Sir Bernard
Unfortunately Dr Ion is on leave this week but will obviously respond to your request next Monday when she is back in the office. Could you let me have the date for this meeting so I can start to find potential rooms.
Regards

I have been asked to arrange a general meeting for SONE members outside London either in the Warrington area or at Sellafield - the centres where, outside London, we have most membership. The idea is to meet there either in late May or early July.

Last year we were guests of Urenco at Capenhurst. This year we should go to Sellafield but the committee may decide it should be the Warrington area.

I wonder whether BNFL could, as in the past, make a room available for us

either at Risley or in the exhibition centre at Sellafield and provide coffee and a buffet lunch for around 40? We would be very grateful if you could.

I should be able to confirm whether it would be Warrington or Sellafield next week.
