Hi Angus

Shouldn't be a problem - I've just spoken to my contact at DTI who provided the article and he's going to check it with them (he's working from home today) so as soon as they get back to me I'll let you know.  
Best regards

Hi Miranda

of the NDA and how it will operate and would be very appealing to our readers. Full credit will, of course, be given to its author.

If you would like me to approach the author himself then I'm more than happy to do that. If you prefer this approach do you have an email address or telephone number for him?

Best regards and many thanks for any help you can offer.....

Angus
