Dear Mr Miller

Patrick Kenneth Arthur Basham of Magdalene College

Further to your letter dated 29 November 2012, I am writing to confirm that the above named studied towards the degree of Doctor of Philosophy (Department of Politics & International Studies). His thesis title was: *Professional & Permanent? A comparative analysis of American and British party campaigning*.

Our records confirm that the student was withdrawn on 8 July 2009 without qualification.

I can confirm that the University of Cambridge is recognised by Department of Business, Innovation and Skills (BIS) and the UK authorities as having degree awarding powers.

I hope that this information is sufficient for your purposes.

Yours sincerely

Kate Maxwell
