T.I. ETS CONSULTANT PROGRAM PROJECT STATUS

Project: Science and Policy Symposium.

Participants: G. Gori for preliminary planning. Others will become involved.

Budget:

- (a) Allocated: \$100,000 in 1992 budget; funds transferred to C&B.
- (b) Billed thus far: Gori \$7,589; \$1,700; \$2,835.25.
- (c) Approved: General TI 1990 and ongoing; Gori first invoice up to \$10,000, TI per K. Packett 8/14/92; further Gori planning expenses up to additional \$10,000 (comes out of \$100,000) also approved.

Status: Gori still engaged in preliminary discussions with AAAS et al. Promising discussion w. other industries held 10/2/92. AAAS-industry planning meetings 10/28/92, 11/19/92.

Remarks: Initial AAAS response was that "Science and Policy" was too broad. Countersuggestion: thresholds. Counter-counter-suggestion to be sold by Gori: seek middle ground, maybe "Key issues in current science regulatory policy" (which would include thresholds etc.)
